

# Website Deadline #1

## THE INDIVIDUAL BIO PAGE

### Assignment #20

#### (3 points)

There are FOUR DEADLINES for the website project. You will receive a point spread just like this one for each deadline. Make sure that you do not fall behind and do not wait until the night before to design a webpage. It won't work out well. At this point in the semester, there are 3.5 weeks left of class. Pace yourself accordingly.

Your first task for the final digital/website project will

be to design an "About Me" page. We are not focusing on content so much here; instead we are learning website design with this first page. "**Your About Me Page**" must include:

1. your bio (at least 250 words)
2. at least 5 images of yourself or photos that you like
3. a song you like from soundcloud.com
4. at least one video that you like from youtube

<b>The Tasks to Receive ALL 3 Points for the BIO Page</b>	<b>Check Here When Task Is Done</b>
1. I made sure that my bio page is at least 250 words long. I made this writing interesting and relevant. I incorporated a photo/avatar of myself and/or OTHER images that I like.	
2. I made sure that there are no glaring, empty spaces on this page. I have columns such that everything is lined up and squared off exactly or I use sections in an interesting way. There are no free-floating images. Overall, the page has an interesting look and feel and is laid out professionally.	
3. I have used video and soundcloud on this page in an interesting way. I do not have any free-floating videos. Overall, I have interesting sound/video on this page.

## Extra Credit and Make-Up Deadline

**NOTICE #1:** The points for the digital project are FINAL. *However, you can take any ONE point-spread (like this one) and revise that assignment up until the last day of class.* Please retain each and every point spread (or scan it). You must actually re-submit the point-spread if you want a re-grade. If you do not have the point-spread, you will not receive the re-grade. NO EXCEPTIONS!

**NOTICE #2:** For up to two extra credit points, you can include your FULL "I Am From" page on your bio page. It should look like a poem and be laid out well.

**NOTICE #3:** For any webpage that you create with this final project, you can go to the writing center (WC) and have a tutor look over and copyedit your page so that it is perfect. Each time that you go to the WC, you will receive 2 extra credit points for the class. Make your appointments now---the writing center fills up fast at the end of the semester. Hold on to your attendance ticket and submit it (that's your proof of WC attendance).
